On October 15, 2010, Respondent was censured and placed on probation for violating ER 1.15 and Rule 43. The terms of probation provided that disbursements from the account were permitted only for expenditures directly related to the representation of clients and funds deposited into the account on behalf of clients. Respondent violated a term of probation when disbursed funds to himself and to clients when the funds were not available, resulting in a negative account balance.

Respondent violated Rule 54(e), Ariz. R. Sup. Ct.
