

JUVENILE COURT/PROBATION Narrative Summary

These tables illustrate juvenile referral, petition, and probation information for Arizona juvenile courts and probation departments. The first page of tables on the statewide and individual county presentations is the Juvenile Referral Summary. The first two tables list both the actual number of referrals and the number of juveniles referred in FY 1999, and compared to corresponding data in FY 1998. **The total number of juveniles referred may be a duplicated count since one juvenile can have both a delinquent and an incorrigible referral in a time period.** Delinquent and incorrigible are combined in an unduplicated count in the Juvenile Processed in the Arizona Court System report published by Juvenile Justice Services Division.

Statewide there were 77,651 referrals filed for 53,257 juveniles this year, compared to 84,719 referrals of 56,794 youths last year. This represents a 8.3% and a 6.2% decrease in referrals filed and juveniles referred, respectively. Subtracting the 18,287 referrals for "incorrigibility" (i.e., those involving "status" offenses such as truancy, curfew, or being "beyond control" of parents), of the remaining 59,364 delinquency referrals, 34,521 (58.2%) are for offenses against property (11,145 misdemeanor, 7,051 felony) or violations of the "peace" (16,325; e.g., disturbing by disorderly conduct or loitering). Juvenile courts in FY 1999 disposed of 78,016 referrals, compared to 80,766 referrals in FY 1998, a decrease of 3.4%. A new category of dispositions, Adjusted with Consequences, was added in FY 1999. In previous years, these cases had been part of the Other Dispositions category.

The second page of tables is the Juvenile Petition Summary, representing more serious intervention by the criminal justice system. Each presentation has two tables that include counts of petitions filed and juveniles petitioned (the latter figures also appearing on Superior Court tables as part of their caseload). **The total number of juveniles petitioned may be a duplicated count since one juvenile can have both a delinquent and an incorrigible petition in a time period.** An unduplicated count can be found in Juveniles Processed in the Arizona Court System. Statewide there were 29,669 petitions filed involving 18,622 juveniles during FY 1999, down 5.0% and 2.0%, respectively, contrasted with 31,222 petitions on 19,004 youths in FY 1998. Juvenile Courts this year disposed of 29,296 petitions, compared to 30,690 petitions last year, a decrease of 4.5%. Adjudication as either "delinquent" or "incorrigible" is the primary disposition of juvenile court petitions (70.3% of petitions, 72.0% of youths this year). With juveniles automatically being transferred to adult court, judicial transfers of juveniles charged with serious offenses to Superior Court for processing as adults dropped by 61.7% in petitions (485 to 186) and 66.1% in juveniles (336 to 114) between FY 1998 and FY 1999. Juveniles direct filed in adult court, which increased in numbers, are not reported.

The last page of tables refers to Probation, Detention, and Community Service activity. This year 8,042 new probationers were added to the system (down 5.8% from the 8,533 added during FY 1998) and 8,362 probationers terminated (up 3.8% from the 8,057 terminated last year) statewide, resulting in a 3.9% decrease in juvenile probationers by the end of FY 1999 (9,116 to 8,762).

The total days youths spent in detention decreased 3.6%, from 257,753 in FY 1998 to 248,486 in FY 1999. Community service hours performed during the year by juveniles decreased from 503,537 last year to 482,818 this year, a decline of 4.1%.

Some of the FY 98 figures may not correspond to figures published in last year's Data Report due to corrected information received subsequent to the publication of the Report.
