

JUVENILE COURT/PROBATION Narrative Summary

These tables illustrate juvenile referral, petition, and probation information for Arizona juvenile courts and probation departments. The first page of tables on the statewide and individual county presentations is the Juvenile Referral Summary. The first two tables list both the actual number of referrals and the number of juveniles referred in FY 2000, and compared to corresponding data in FY 1999. **The total number of juveniles referred may be a duplicated count since one juvenile can have both a delinquent and an incorrigible referral in a time period.** Delinquent and incorrigible are combined in an unduplicated count in the Juvenile Processed in the Arizona Court System report published by Juvenile Justice Services Division.

Statewide there were 77,507 referrals filed involving 53,368 juveniles this year, compared to 77,651 referrals of 53,257 youths last year. This represents a 0.2% decrease in referrals filed and a 0.2% increase juveniles referred. Subtracting the 17,619 referrals for "incorrigibility" (i.e., those involving "status" offenses such as truancy, curfew, or being "beyond control" of parents), of the remaining 59,888 delinquency referrals, 35,238 (58.8%) are for offenses against property (10,724 misdemeanor, 6,870 felony) or violations of the "peace" (17,644; e.g., disturbing by disorderly conduct or loitering). Juvenile courts in FY 2000 disposed of 86,122 referrals, compared to 78,016 referrals in FY 1999, a increase of 10.4%. The second page of tables is the Juvenile Petition Summary, representing more serious intervention by the criminal justice system. Each presentation has two tables that include counts of petitions filed and juveniles petitioned (the latter figures also appearing on Superior Court tables as part of their caseload). **The total number of juveniles petitioned may be a duplicated count since one juvenile can have both a delinquent and an incorrigible petition in a time period.** An unduplicated count can be found in Juveniles Processed in the Arizona Court System. Statewide there were 32,796 petitions filed involving 21,238 juveniles during FY 2000, up 10.5% and 14.1%, respectively, contrasted with 29,669 petitions on 18,622 youths in FY 1999. Juvenile Courts this year disposed of 31,239 petitions, compared to 29,296 petitions last year, a increase of 6.6%. Adjudication as either "delinquent" or "incorrigible" is the primary disposition of juvenile court petitions (69.0% of petitions, 75.7% of youths this year). With juveniles automatically being transferred to adult court, Judicial transfers of juveniles charged with serious offenses to Superior Court for processing as adults increased by 28.9% in petitions (114 to 147) between FY 1999 and FY 2000. Juveniles direct filed in adult court, which decreased by 24.8% from 769 in FY 99 to 578 in FY 00 are not reported in this report.

The last page of tables refers to Probation, Detention, and Community Service activity. This year 9,569 new probationers were added to the system (up 19.0% from the 8,042 added during FY 1999) and 8,860 probationers terminated (up 6.0% from the 8,362 terminated last year) statewide, resulting in a 8.2% increase in juvenile probationers by the end of FY 2000 (8,686 to 9,395).

The total days youths spent in detention increased 15.3%, from 248,486 in FY 1999 to 286,556 in FY 2000. Community service hours performed during the year by juveniles decreased from 482,818 last year to 430,100 this year, a decline of 10.9%.

Some of the FY 99 figures may not correspond to figures published in last year's Data Report due to corrected information received subsequent to the publication of the Report. Fiscal year 2000 information presented in this report is preliminary.
