COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-397

Judge:

Complainant:

ORDER

March 29, 2024

The Complainant alleged a superior court commissioner violated his rights and did not follow the law during a criminal proceeding.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on March 29, 2024.

Not read extradition rights.
It was initial appearance, I
was arrested illegally. A woman
comes by with an audio visual
device assumably and asks me
a question as I have not
been able to provide name
of counsel, confer with parties
before, during and after and
was not sworn in and did
not receive judges name who
assumably was on the device
the woman was holding. I
have rights... why no court
appearance from then until
today and why no arraignment
days after?
