

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-437

Judge:

Complainant:

ORDER

April 12, 2024

The Complainant alleged a justice of the peace was biased against him by not appointing him legal counsel in a misdemeanor case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 12, 2024.

COMPLAINT AGAINST A JUDGE

Name: Judge's Name: _____

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

My first complaint is that _____ Justice court and _____ denied me right to counsel without legal grounds. Also that my case has zero legal standing to be charged against me.

And _____ is biased and discriminatory against me as an individual. In _____ on polytechnic campus I was the victim of a violent crime committed by _____ Her step father at the time was sheriff _____ of _____ county. On behalf of _____ and under his command _____ intentionally intervened in the case and had the entire violent crime dropped. This was an intentional removal of my victims rights and the Justice in life that case would have saved me from further abuse and injustice in the Arizona court system. This case specifically is why I already believe _____ and his courts, the county Sherries office, and the prosecutor are biased, discriminatory, dishonest, and targeting me as an individual. And again in this current open case, and also by severing my rights to my daughter _____, without any type or form of the legal statues to do so. This can all be looked up on the records and pacer.
