ORDER

April 5, 2024

The Complainant alleged improper legal rulings by a superior court judge hearing a probate case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

COMPLAINT AGAINST A JUDGE

Name: [] Judge's Name: []

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

In [] of [] County Court judge [] assigned an out of State representative. He did this without any of the other persons appearing in court. he used only emails and brief out of State telephone calls for this. I consider this a misuse of the county court them thinking they can do business out of state. I spent [] and [] dollars on objections. On the cover it said [] County court, In and for [] County. I am the in State resident and the registered owner of the property. I did appear in court to represent my interests.

The out of State and out of Country parties relied on ARS 14 for thier claim. According to the definitions page of the Article " Court " is defined as the [] Court of Arizona. The [] Court of Arizona is the State Legislature led by the Governor. So the [] County Court was out of jurisdiction on three counts. Count 1 The [] Court of Arizona is the State Legislature led by the Governor. This body would never have made the decision the court made. If they had they would all have been voted out of office emmedately. Count 2 [] Arizona is Districted with [] they are not in the same District which the property is on, which is District 2. Count 3 They were trying to hold court for out of State and overseas, this is clearly beyond any of thier jurisdiction.

I guess the court thought they could make an out of State person a " personal representative " for a long deceased person who died out of country.

I am the resident of the property and have been for many vears. it is dedeed to me in Official Records of [] County Recorder [] Date/Time [] Fee [] dollars Pages 4 Fee Number [] The court has [] and [] dollars a month for [] ([]) site [] going out of state. It seems the court thought it would be ok to send this to a " LLC " in [] they will not make the requirements for an LLC, as an LLC is publically held. None of them are residents of Arizona they havent resided in Arizona as adulots, niether I, nor the State has any responsibility for them.

The money for tower site should properly go to the property holder and resident, which is I
What the court decided is clearly a malfeasance.

If the property be an estate as is strongly implied then the money for the [] should remain with the property holder. This strengthens the estate and the State.

The others involved are neither minors nor dependant adults. A dependant adult is someone between [] to completing College or post graduate studies. They have not resided in Arizona as adults Arizona has no responsibility for them.

The Estate has always been for [] is the name for God, never spoken. The name [] is for [] only they should not be permitted to Take the name of God in vain.

Please hurry the amount in question² is reportedly [] per month.
