COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-448

Judge:

Complainant:

ORDER

April 19, 2024

The Complainant alleged a superior court judge intended to make certain the defendant was dead before he can make it to trial in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 19, 2024.
