

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-500

Judge:

Complainant:

ORDER

April 19, 2024

The Complainant alleged a justice of the peace showed poor demeanor during a protective order proceeding.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Regina L. Nassen and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 19, 2024.

COMPLAINT AGAINST A JUDGE

Name: Judge's Name: Hon.

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Judge allowed emotions to cloud his judgment and give bias towards a plaintiff that used an order of protection as a means to retaliate against the defendant (myself) for reporting illegal activity to federal authorities that plaintiff admitted to outside of court that is still ongoing (piracy/illegal distribution of copyrighted works). Judge also allowed the plaintiff to lie and change statements after questioned during testimony, but did not question him on it. Judge also issued an order directly violating at least 2, if not three US Constitutional Amendments against defendant.

Judge shows clear bias to anyone who who remains calm and collected, yet ignores and does not allow relevant info to given in the case. Judge also shows personal bias against people with mental didisabilities Judge also stated in a rude manner and tone either on, or after the record was stopped, "
" when asked by the defendant "
"

I will be appealing this case with the judge as well, and have it sent to the court on county or approved.

Judge violated the following: AZ Judicial Code Of Conduct 2.2 sections 1-4, and 2.3 section B, as well as 14th, 8th, and 6th ammendment of the US Constitution
