COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 24-015

Judge:

Complainant:

ORDER

May 24, 2024

The Complainant alleged a justice of the peace falsified evidence in an unknown case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 24, 2024.

I believe from Arizona is falsifying evidence in an attempt to cover up law enforcement abuse and misconduct. He is costing Arizona tax-payers money and causing emotional distress, financial hardship and putting innocent people behind bars.
