**ORDER**

April 19, 2024

The Complainant alleged a superior court commissioner abused power by demanding updated records in guardianship case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 19, 2024.

Subject: Complaint Against Judge

Dear Commissioners JUDICIAL CONDUCT

I am writing to bring to your attention a matter of serious concern regarding the conduct of Judge \_\_\_\_\_ in \_\_\_\_\_ COURT who has repeatedly abused their power and authority, violating my son's rights and causing emotional distress to him and our family.

On \_\_\_\_\_ Judge \_\_\_\_\_ made inappropriate threats and demands, including the invasion of our home and the removal of my son from the premises, causing him to break down in tears. This behavior is unacceptable and has no place in our legal system. Furthermore, despite evidence and documentation proving that my son is not incapacitated, Judge \_\_\_\_\_ continues to demand updated medical records and excessive fees for filing.

Judge \_\_\_\_\_ has been rude, threatening, and has used their authority to intimidate and control innocent individuals like my son and me. Their actions have set a dangerous precedent for other attorneys and fiduciaries to abuse their power and control over vulnerable individuals.

I urge you to investigate this matter thoroughly and take appropriate action against Judge \_\_\_\_\_ for their unprofessional and unethical behavior. My family and I deserve justice and protection from such abuses of power.

Sincerely,
