**SECTION 1
INTRODUCTION AND OVERVIEW**

1. Introduction

The Arizona Supreme Court (hereinafter referred to as the Court) is soliciting written, sealed bids for the purchase of probation officer safety equipment. Beginning in Summer 2006, Arizona Probation will begin a transition from Glock 9MM pistols to Glock .40 S&W Cal. Pistols. This transition will take place incrementally across the State, and may be completed in a relatively short time frame or cover an extended period, based on available funding. In order to most effectively utilize available resources, it is the intent of this IFB to request bids that both allow a trade-in of the Glock Model 19 and Glock Model 26 pistols currently issued to officers throughout the State, as well as provide a price for purchasing the pistols noted in the Specifications Section outright. All the pistols that will be traded in have been purchased since July 2003. The condition of these pistols varies from expected normal wear due to daily carry, to new, unfired weapons in the original container. It is anticipated that over 650 pistols will be replaced during the term of this contract. Some probation departments may still have quantities of new, factory loaded training and duty 9MM ammunition on hand. Accordingly, it is the intent of this IFB to request bids that both allow a trade-in of this 9MM ammunition as well as provide a price for purchasing the ammunition noted in the Specifications Section outright. Vendors may submit a bid only on the pistols, only on the ammunition, or on both.

Vendors who wish to submit a sealed bid based upon the specifications and conditions in this document shall submit it by 3:30 p.m. Arizona Time on April 18, 2006 in accordance with the schedule (see below).

The public opening will be conducted at 3:30 p.m. Arizona Time on April 18, 2006 at the Arizona State Courts Building, 1501 West Washington, Conference Room 230, Phoenix, Arizona.

2. Bidders Conference

A bidders conference will not be held.

3. Bid Schedule

Activity	Date
a. Invitation for Bids (IFB) Published	March 30, 2006
b. Bid Due Date*.....	April 18, 2006

The Court reserves the right to deviate from this schedule.

- * **Bids received after 3:30 p.m. Arizona Time will be accepted but will not be opened and will not be taken into consideration in the evaluation of bids.**

4. Bid Evaluation

Following the public bid opening, bids will be evaluated based upon the criteria outlined in Section 4 of this document. The contract shall be entered into with the responsible offerer(s) whose bid is determined in writing to be the most advantageous to the Judicial Branch Unit taking into consideration the evaluation factors set forth in the IFB. The Court may request (prior to contract award) vendors to provide sample products for review by the Court and/or to inspect a vendors facilities.

No other factors or criteria may be used in the evaluation. The amount of any applicable transaction privilege or use tax of a political subdivision of this state is not a factor in determining the most advantageous proposal if a competing offerer located outside of this state is not subject to a transaction privilege or use tax of a political subdivision of this state.

If there are no offerers who adequately meet the Court's specifications and/or budget, the Court reserves the right to reject any or all bids or parts thereof. This IFB does not commit the Arizona Supreme Court to award any contract or to pay any costs incurred in the preparation of bids. The Court reserves the right to accept or reject, in whole or in part, all proposals submitted and/or to cancel this IFB.

5. Americans with Disabilities Act

People with disabilities may request special accommodations such as interpreters, alternative formats, or assistance with physical accessibility. Requests should be made as early as possible to allow time to arrange the accommodation.

If you require special accommodations, please call (602) 542-9329 or text telephone (TDD) 542-9545.

Recitals

Arizona's probation system is decentralized, with each of the 22 local probation departments (adult and juvenile) reporting directly to the presiding judge of the superior court in their respective counties. In accordance with the administrative and supervisory authority established under Article VI, section 3 of the Arizona Constitution, and pursuant to administrative orders of the Supreme Court and the Arizona Code of Judicial Administration, the Administrative Office of the Courts has developed and operates a comprehensive officer safety program. The officer safety program is intended to assist probation officers in carrying out their powers and duties pursuant to ARS 12-253 and 8-205.

2. The Contractor specializes in law enforcement supplies and can perform the work specified in this Contract within the time limits established by the Court.

3. The Court desires the Contractor to supply the safety equipment described in Invitation for Bids No. 06-01.

Now, therefore, in consideration of the mutual promises set forth in this Contract, the parties agree as follows:

Terms and Conditions

1. Duration of Contract

a. **Duration.** This Contract shall begin on execution, and shall terminate on June 30, 2008.

b. **Extension of Term.** The Contract may be extended beyond the basic term by mutual agreement of the parties. To extend the term, Court shall provide written notice to Contractor of its desire to extend the Contract not less than 60 days prior to

the expiration of the Contract term or any subsequent extension. If both parties agree, any extension shall be effected by an amendment to the Contract signed by both parties. Contract extensions are subject to the availability of funds.

2. Description of Work and Products to be Provided

Contractor shall supply the products outlined and provide the services prescribed in IFB 06-01 section 3 specifications and the response provided at the prices stated (Attached and incorporated herein as exhibit A). Prices are firm throughout the initial term of the contract. Price increases resulting from documented manufacturer/supplier price increases may be allowed at the time of contract extension.

3. Payment

Payments shall be made upon the submission of an invoice for goods received and subject to availability of funds. Court shall process and remit to Contractor within 30 days of the date of receipt of Contractor's correct invoice a warrant for payment of goods.

A separate invoice shall be issued for each shipment of material or service performed, and no payment shall be issued prior to receipt of material, service or construction and correct invoice. Payment shall be subject to the provisions of ARS Title 35. Court will provide the Contractor with a contract number and the Contractor will reference the number on all invoices. The Court will make every effort to process payment for the purchase of goods or services within (30) calendar days after receipt of goods or services and a correct invoice of amount due, unless a good faith dispute exists as to any obligation to pay all or a portion of the account. Payment for deliverables subject to an acceptance test shall be made within 30 days following acceptance. Any amount that is due after (30) calendar days will be considered past due.

4. Availability of Funds

Payments for contractual obligations are contingent on funds for that purpose being appropriated, budgeted, and otherwise made available, and the provisions of this contract shall be effective only when funds appropriated for the purpose of compensating Contractor actually are available to the Court for disbursement. The Administrative Director of the Courts shall be the sole judge and authority in determining the availability of funds under this Contract and shall keep the Contractor informed as to the availability of funds. The Court shall not be liable for any purchases or subcontracts entered into by Contractor in anticipation of funding.

5. Assignments and Subcontracts

No rights or obligations under this Contract shall be assigned, delegated, or subcontracted in whole or in part, without the prior written approval of the Court. No subcontract shall be entered into by the contractor with any other party to furnish any of the material, service or construction specified herein without the advanced written approval of the court.

6. Other Contracts

The Court may perform additional work related to this Contract or award other contracts for such work. The Contractor shall cooperate fully with such other contractors or state employees in the scheduling of and coordination of its own work with such additional work.

7. Confidentiality of Records

The Contractor shall establish and maintain procedures and controls that are acceptable to the Court for the purpose of assuring that no information contained in its records or obtained from the Court or from others in carrying out its functions under this Contract shall be used or disclosed by it, its agents, officers, or employees, except as is necessary in the performance of duties under this Contract. Persons requesting such information shall be referred to the Court. The Contractor also agrees that any information pertaining to probationers or juveniles shall not be divulged, other than to employees or officers of Contractor as required for the performance of duties under the Contract, except upon the prior, written consent of the Court. Any unauthorized disclosure of confidential information shall constitute a breach of the Contract.

8. Visitation and Inspection

Court representatives or other appropriate agents of the state or federal government shall, with timely notice to the Contractor, be entitled to review and inspect the Contractor's facilities, its program operation, and those records which pertain to the program funded by this Contract during the term of this Contract. Any reports prepared pursuant to this section shall be made available to Contractor upon request.

Contractor shall retain and shall require its subcontractors to retain all financial books, records, and other documents relevant to this Contract for five years after final payment or until after the resolution of any audit questions or contract disputes, whichever is longer. Court, state, or federal auditors, as applicable, and any other persons duly authorized by Court shall have full access to, and the right to examine, copy, and make use of any and all said materials.

12. Technical Assistance

Court, upon request, shall provide technical assistance to Contractor relative to the terms and conditions, policies, and procedures governing this Contract, and shall assist in the gathering of data within the Court's sole possession and control, but shall not be obligated to provide technical assistance in the performance of services provided under the Contract.

13. Indemnification

Contractor agrees to defend, indemnify, and save harmless the State of Arizona and its departments, agencies, boards and commissions, and all its officers, agents, and employees, each severally and separately, against any and all liabilities, demands, claims, damages, losses, costs, and expenses of whatsoever kind or nature arising out of, resulting from, or which would not have occurred or existed but for the negligence of the Contractor, its employees, or its agents.

c. Partially Completed Reports. If this Contract is terminated as provided herein, the Court, in addition to any other rights provided in this section, may require the Contractor to transfer title to and deliver to the state, in the manner and to the extent directed by the Court, such partially completed reports or other documentation as the Contractor has specifically produced or specifically acquired for the performance of such part of this Contract as has been terminated. Pending the final decision of a dispute hereunder, Contractor shall proceed diligently with the performance of the Contract in accordance with the contract administrator's decision.

Contractor warrants that all non-service items furnished pursuant to this Contract shall be free from defects and shall conform to Contract requirements. Any items determined by the Court to be in nonconformity with this warranty shall be repaired or replaced, at the Court's option and at the Contractor's expense, for a minimum of one (1) year following the completion or termination of this Contract. Contractor warrants that all material, service or construction delivered under this Contract shall conform to the specifications of this Contract. Mere receipt of shipment of the material, service, or construction specified, and any inspection incidental thereto by the Court, shall not alter or affect the obligations of the Contractor or the rights of the Court under the foregoing warranties. Additional warranty requirements may be set forth in this document.

No product substitutions will be accepted.

The materials and supplies called for herein shall be the best of their grade and types, prepared according to the best available standards or accepted formulas, and thoroughly tested and subjected to rigid examination and standardization. Items not meeting these requirements shall be replaced at no cost to the court upon due notice of deficiency.

It shall be the Contractor's responsibility to meet the court's delivery requirements, as called for in this contract. The court reserves the right to obtain material on the open market in the event the Contractor fails to make delivery and any price differential will be charged against the Contractor.

All manufacturers warranties shall apply.

20. Infringement of Patents and Copyrights

a. The Contractor, at its own expense, will defend any claim or suit which may be brought against the state for the infringement of United States patents or copyrights arising from the Contractor's or Court's use in its original form of any equipment, materials, or information prepared or developed by the Contractor in connection with performance of this Contract, and in any suit will satisfy any final judgment for such infringement. The Court will give the Contractor written notice of such claim or suit and full rights and opportunity to conduct the defense thereof, together with full information and all reasonable cooperation. If principles of governmental or public law are involved, the Court or the state may participate in the

defense of any such action, but no costs or expenses shall be incurred for the account of Contractor without written consent.

b. If in Contractor's opinion, the equipment, materials, or information mentioned here is likely to or does become the subject of a claim of infringement of a United States patent or copyright, then, without diminishing Contractor's obligation to satisfy any final award, Contractor may, with the Court's written consent, substitute other equally suitable equipment, materials, and information, or at Contractor's option and expense, obtain the right for Contractor or the Court to continue the use of such equipment, materials, and information.

21. Non-Discrimination

The parties agree to comply with all applicable state and federal laws, rules, regulations and executive orders governing equal employment opportunity, immigration, nondiscrimination, including the Americans with Disabilities Act, and affirmative action. Contractor shall include a clause to this effect in all subcontracts related to this Contract.

22. General Requirements

a. Applicable Law. The laws and regulations of the State of Arizona shall govern the rights of the parties, the performance of this Contract, and any disputes thereunder. Any action relating to this Contract shall be brought in an Arizona court. Any changes in the governing laws, rules, and regulations during the term of this Contract shall apply but do not require an amendment.

b. Unenforceability of Provisions. If any provision of this Contract is held invalid or unenforceable, the remaining provisions shall continue valid and enforceable to the full extent permitted by law.

c. Licenses and Permits. Contractor shall, at its expense, obtain and maintain all licenses, permits, and authority necessary to do business, render services, and perform work under this Contract, and shall comply with all laws regarding unemployment insurance, disability insurance, and worker's compensation.

d. Independent Contractor Status. Contractor is an independent contractor in the performance of work and the provision of services under this Contract and is not to be considered an officer, employee, or agent of the State of Arizona or the Court.

e. Failure to Waive Compliance. Acceptance by administration of performance not in strict compliance with the terms hereof shall not be deemed to waive the requirement of strict compliance for all future performance obligations.

f. **Certification of Employee Status.** Contractor certifies that no individual or agent has been employed or retained to solicit or secure this Contract for a commission, percentage, brokerage, or contingent fee, except a bona fide employee maintained by Contractor to secure business.

24. Criminal History Check.

The Court may require Contractor to provide identifying information for Contractor and any individuals working in judicial facilities or having access to judicial information for the purposes of conducting a criminal history records check for security purposes. Contractor agrees to cooperate with such requests and understands that the Court may terminate this Agreement if the results of the criminal history records check would disqualify the Contractor or individual and there is no acceptable alternative.

25. Amendments and Waivers

Amendments to this Contract shall be in writing and shall be signed by all parties to the Contract. To the extent that any amendments to the Contract are in conflict with the basic terms and conditions of the Contract, the amendments shall control the interpretation of the Contract. No condition or requirement contained in or made a part of this Contract shall be waived or modified without a written amendment to this Contract.

26. Gratuities

The Court may, by written notice to the Contractor, terminate the Contract if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the Court or the state with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performance of such Contract. In the event this Contract is canceled by the Court pursuant to this provision, the Court shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity. Paying the expense of normal business meals which are generally made available to all eligible customers shall not be prohibited by this paragraph.

27. Arizona Procurement Code

The Arizona Procurement Code (ARS Title 41, Chapter 23) and the Arizona Supreme Court Rules Prescribing Procurement Policies and Procedures for the Judicial Branch (Judicial Branch Procurement Rules) are incorporated as a part of this document as if fully set forth herein.

28. Entire Agreement

The Contract contains the entire agreement between the Court and the Contractor concerning the subject transaction and shall prevail over any and all previous agreements, contracts, proposals, negotiations, purchase orders or master agreements in any form.

29. Provisions Required By Law

Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

30. Conflicts of interest

The Court may cancel this Contract without penalty or further obligation pursuant to ARS §38-511, if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract on behalf of the Court is or becomes at any time, while the Contract or any extension of the Contract is in effect, an employee of any other party to the Contract in any capacity or a consultant to any other party to the Contract with respect to the subject matter of the Contract. Cancellation shall be effective when written notice from the Court is received by all parties to the Contract unless the notice specifies a later time.

31. Relationships of Parties

It is clearly understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venturer, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. The Contractor is an independent contractor in the performance of work and the provision of services under this Contract, and taxes or Social Security payments shall not be withheld from a Court payment issued hereunder.

32. Interpretation

This Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object. Whenever a term defined by the Arizona procurement code or the Judicial Branch Procurement Rules is used in this Contract, the definition contained in this code or these rules shall control with the provisions of the Judicial Branch Procurement Rules governing in the case of conflicting terms.

33. Assignments- Delegation

No right or interest in this Contract shall be assigned by the Contractor or the Court without prior written permission of the other party, and no delegation of any duty of the Contractor or the Court shall be made without prior written permission of the other party. The Court and the Contractor will not unreasonably withhold approval and will notify the other of its position within 15 days of receipt of written notice by the other. Any attempt to assign any of the rights, duties or obligations of this Contract, or otherwise assign any item acquired under this Contract, without such consent is void.

34. Rights and Remedies

No provision in this document or in the Contractor's offer shall be construed, expressly or by implication as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim of default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract or to exercise or delay the exercise of any right or remedy provided in the Contract, or by law, or the acceptance of materials or services, or the payment for materials or services, shall not release either party from any responsibilities or obligations imposed by this Contract or by law, and

shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.

35. Overcharges by Antitrust Violations

The Court maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the Court any and all claims for such overcharges as to the goods or services used to fulfill the Contract.

36. Force Majeure

- A. Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God, acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-intervention-acts, or failures or refusal to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with this agreement.
- B. Force majeure shall not include the following occurrences:
- (1) Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market.
 - (2) Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition. Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.
- C. If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand delivered or mailed certified-return receipt and shall make a specific

reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

37. Right to Assurance

Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, he may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

38. Advertising

Contractor shall not advertise or publish information concerning this Contract, without prior written consent of the Court. The Court shall not unreasonably withhold permission.

39. Inspection and Acceptance

All material, service and construction are subject to final inspection and acceptance by the Court. Material, service or construction failing to conform to the specifications of this Contract shall be held at Contractor's risk and may be returned to the Contractor. If so returned, all costs are the responsibility of the Contractor. Compliance shall conform to the termination clause set forth in this document.

40. Shipping - Title and Risk of Loss

Unless otherwise indicated by the Court, prices shall be F.O.B. Destination to any delivery location in the State of Arizona, in accordance with the Contractor's current shipping practices, using handling methods, equipment, and access routes which are normal for the particular goods. Contractor shall retain title and control of all goods until they are delivered, received, and the contract of coverage has been completed. All risk of transportation and all related charges shall be the responsibility of the Contractor. All claims for visible and concealed damage shall be filed by the Contractor. The Court will notify the Contractor promptly of any damaged goods and shall assist the Contractor in arranging for inspection.

41. No Replacement of Defective Tender

Every tender of materials must fully comply with all provisions of this Contract. If a tender is made which does not fully conform, this shall constitute a breach and Contractor shall not have the right to substitute a conforming tender. Compliance shall conform to the termination clause set forth within this document.

42. Default in One Installment to Constitute Total Breach

Contractor shall deliver conforming materials in each installment or lot of this Contract and may not substitute nonconforming materials. Delivery of nonconforming materials or a default of any nature, at the option of the Court, shall constitute a breach of the Contract as a whole. Compliance shall conform to the termination clause set forth within this document.

43. Shipment under Reservation Prohibited

Contractor is not authorized to ship materials under reservation and no tender of a bill of lading shall operate as a tender of the materials. Compliance shall conform to the termination clause set forth within this document.

44. Liens

All goods, services and other deliverables supplied to the Court under this Contract shall be free of all liens other than the security interest held by the Contractor until payment in full is made by the Court. Upon request of the Court, the Contractor shall provide a formal release of all liens.

45. Safety Standards

All items supplied on this Contract must comply with the current applicable occupational safety and health standards of the State of Arizona Industrial Commission, the National Electric Code, and the National Fire Protection Association standards.

46. Licenses and Permits

Contractor shall maintain in current status all Federal, State, and local licenses and permits required for the operation of the business conducted by the Contractor as applicable to this Contract.

47. Serial Numbers

Offers must be for equipment on which the original manufacturers' serial number has not been altered in any way. Throughout the Contract term, the Court reserves the right to reject any altered equipment.

48. Addition of New Models

In the event that a product or model described in this Contract is discontinued or a new model or a comparable product is announced by the manufacturer, the Court at its sole discretion may allow the Contractor to substitute the comparable product for the discontinued product or the new or comparable model for the product described in the Contract subject to the procurement provisions of the Judicial Branch Procurement Rules. The Contractor shall request permission to substitute a new product or model and provide the following:

1. Certification by the manufacturer that the product or model described in the Contract has been discontinued or that a new model or a comparable product has been announced.
2. Documentation that provides clear and convincing evidence that the replacement meets or exceeds all specifications required by the original solicitation.
3. Documentation that provides clear and convincing evidence that the replacement will be compatible with all the functions or uses of the discontinued product or model.
4. Documentation confirming that the price/performance for the replacement is the same as or better than the discontinued model.

49. End User Certification

The Court understands that the Contractor is providing any volume discounts under this Contract in reliance on the State's representation that it is acquiring the items for use within its own organization, within the United States or Puerto Rico, and not for remarketing. However, the Court is under no obligation to actually purchase any quantity of items.

50. Taxes

The Arizona Supreme Court is exempt from Federal Excise Tax, including the Federal Transportation Tax. The Court will pay all applicable taxes resulting from this Contract or activities hereunder exclusive of taxes based on Contractor's net income. Sales tax, as required, shall be indicated as a separate item on all invoices.

51. Price Reduction

A price reduction adjustment may be offered at any time during the term of this Contract and shall become effective upon notice.

52. Statewide Purchasing

Any Arizona court or any political subdivision on behalf of a court may procure material or services described in this Contract for use by Arizona courts or judicial branch units. Where so authorized, Contractor agrees to provide such materials or services to other courts at the Contract prices and under the Contract terms. Any attempt to represent any material and/or service as being under contract with the Court which is not a subject of or addition to this Contract is a violation of the Contract and the Judicial Branch Procurement Rules. Any such action is subject to the legal and contractual remedies available to the Court inclusive of, but not limited to, Contract cancellation, suspension and/or debarment of the Contractor.

53. Public Record

This Contract is a public record, available for review, as required by state law.
